#### **EXECUTIVE SUMMARY**

The purpose of the report is to present to the Panel the final Annual Report for 2015-16

#### **RECOMMENDATION**

- i) To receive the Annual Report 2015/2016 for publication by the Commissioner

### **1 Background**

- 1.1. Members will recall that, at the Panel meeting on 8 March they considered the draft Annual Report from the Commissioner for 2015/16 in accordance with s28 of the Police Reform and Social Responsibility Act.
- 1.2. This draft was presented ahead of the end of the financial year due to the impending Lancashire PCC election in order to allow Panel Members opportunity to scrutinise the Commissioner's performance over the final year of his last term.
- 1.3. The updated version of the report presented for consideration includes additional detail and case studies to illustrate delivery against the agreed police and crime plan priorities. It is also been designed in a more reader friendly layout and to draw out key information.
- 1.5 Members are asked to note that annual crime figures for 2015/16 are not published by the Home Office until July 21, 2016. Figures used in the report are to the latest published figures to December 2015. An appendix to the report will be added when the new figures are released

### **2 Implications**

- 2.1 The statutory responsibilities of the Commissioner and the Police and Crime Panel for the consultation/consideration/scrutiny and approval of the Annual Report are set out in the Police Reform and Social Responsibility Act 2011. The procedures adopted by the Panel and the Commissioner through its meetings in March and June 2016 comply with the statutory obligations placed upon them.
- 2.2 There are no financial implications for the Panel in considering this matter.

### **3 Conclusion**

- 3.1 The Panel is therefore requested to receive the updated Annual Report 2015/2016 for publication by the Commissioner.
