TITLE OF REPORT	Response to the External Auditor's request for information on how the Audit Committee gains assurance from management.
------------------------	---

1. PURPOSE

To summarise how the Audit Committee gains assurance, as 'those charged with governance', from management in order to fulfil its responsibilities in relation to the financial reporting process.

2. RECOMMENDATIONS

It is recommended that the response attached at Appendix A is considered and approved.

3. KEY ISSUES

The Council's external auditors, Grant Thornton, are obliged to comply with the International Standards on Auditing (UK and Ireland) (ISAs).

Grant Thornton have specific responsibilities, under these ISAs, to communicate with the Audit Committee and matters which should be communicated. To support their work, the Audit Committee has been asked to provide information on how it gains assurance from management in order to fulfil its responsibilities in respect of the financial reporting process

Grant Thornton are required to obtain an understanding of the management processes and the Committee's oversight of the following areas in respect of the year ended 31 March 2013.

- Fraud;
- Laws and regulations; and
- Going concern.

The attached appendix sets out a series of questions from Grant Thornton in respect of each of the above areas and provides the management response in each case, for consideration by the Committee.

4. RATIONALE

Increasingly, local authorities are required to comply with international standards and external audit are, in turn, required to gain an understanding and review the arrangements in place. The ISAs set out steps that any organisation with robust governance arrangements will follow routinely.

5. POLICY IMPLICATIONS

There are no policy implications flowing from complying with the ISAs.

6. FINANCIAL IMPLICATIONS

There are no financial implications arising.

7. LEGAL IMPLICATIONS

There are no legal implications arising.

8. RESOURCE IMPLICATIONS

There are no resource implications arising.

9. Equality Implications

The decisions to be taken do not change policy and do not require any further consideration in respect of equality issues.
