Development of the Adult Social Care Day Services: Capital Investment.					
Date of Entry	To approve an increase in the portfolio's capital programme of £733,000 in 2012/12	Extensive dialogue and consultation over the last 2 to 3 years has taken place with people who use the services, their families/carers and staff. Regular service user forums have recorded and monitored the impact of the downsizing and transformation, peoples' response to Personalisation and their requests for service improvements. Their views generally see the capital investment as an opportunity to improve facilities to support their basic needs as well as creating flexibility to increase their range of activities.
