I understand the shop at the petrol station at 80 Blackburn Rd, Darwen has applied for an extended drinks licence.

I have noticed that in 2015 there were 11 ASB incidents and this year so far 5 incidents - there also seem to be a lot of reported thefts.

As a previous Councillor I really must object to this application for an extended drinks license based on the above information for 2015/16. I have not looked back any further into the Crime Statistics,

Nigel Nuttall

Dear Penni

Can you please register my objection to this application.

I have been contacted by local residents who state that they do not want additional outlets selling cheap dangerous alcohol at all hours of the day. There is already a serious problem with alcohol fuelled ASB in the area as well as high levels of litter from drinks cans and bottles.

Best wishes

John Roberts

Hi Penni

As Ward Councillors both Trevor and I oppose this license. This will further add to anti social behaviour and litter. I have been contacted by constituents on the ward who are totally against yet another licensed establishment to open in a now saturated area. They are as stated earlier, fully backed by myself and Trevor.

Kind regards  
Stephanie

**RE: OBJECTION TO ALCOHOL LICENCE BY MOTOR FUEL LTD (80 BLACKBURN ROAD), DARWEN**

To whom it may concern,

We would like to raise an objection to the recent alcohol licence application by Motor Fuel Ltd at the Convenience Store, Savoy Filling Station, 80 Blackburn Road, Darwen, BB3 1ET. The application was made on 7<sup>th</sup> September 2016. We feel that late night drink sales would allow violence and public disorder to increase in the area. The pumping station already has many incidents of late night disorderly behaviour, especially at the bus stand just outside their property, where sometimes we witness youth making noise and being a general nuisance. This would bring the value of our property and properties in the local area down as well as cause safety concerns to the local residents.

Please could you take this as a receipt of objection to the alcohol licence application for the remainder of the 7No. residents living at this property. The signatories include; Azhar Ul-haq, Tazeem Azhar, Mustapha Azhar, Anila Ayub, Adila Ayub, Hanzla Azhar and Marhaba Azhar.

Kind Regards,

Murtaza Azhar (MEng)

Hi Donna

Please find enclosed a Licensing Representation from a constituent on my ward, which I fully support.

I realise that this is a new application and as such does not have a trading history to refer to. That being said could I please request appropriate Licence Conditions be attached to the licence and after 12 months the licence is reviewed?

The conditions are:-

Challenge 25 to be adhered.

No alcohol to be served to anyone who is already inebriated.

Littering around the shop frequently checked and where necessary be picked up.

Kind regards

Councillor Stephanie Brookfield

Borough Council  
- 5 OCT 2016  
Public Protection Service

We the undersigned strongly object to the proposed licence for the sale of alcohol by Motor Fuel Ltd, Savoy Filling Station, 80 Blackburn Road Darwen BB3 1ET. The sale of alcohol would simply add to the existing problems of rubbish dumping, litter, vandalism and rowdy and antisocial behaviour.

The sale of alcohol is already well catered for by the CO-OP 142 Blackburn Road, open until 11pm and Bargain Booze 21-25 Duckworth St open until 10pm both within a few minutes walk from Savoy Filling Station.
