To whom it may concern,

This email to support the application for the review of 87 Haslingden Road, Blackburn. Premises license number **LP 26552**.

As a school we have had a number of issues for many years whereby students have been sold boxes of cigarettes, single and alcohol. As well as energy drinks that seem to effect the behaviour of our students during school.

The most recent incident was approximately 5 months ago. When one of our 14 year old female students was found in possession of some alcohol in school. She went into the shop and purchased some alcohol while she was dressed in school uniform.

We feel if the shop has the license revoked then it many of students would stop buy cigarettes, alcohol and energy drinkns.
