Rising Sun, Whalley New Road Blackburn
application to change and extend opening hours.

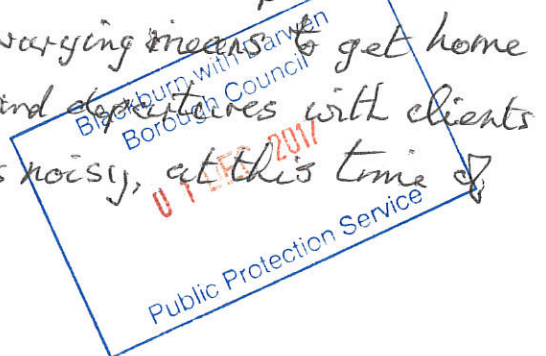

As one of the residents living across Whalley New Road to the Rising Sun I am not happy about their request to alter their late night closing till 3am of the following day and selling alcohol till 2.30am each day of the week.

Combining this with Live and Recorded music until 2am on Friday and Saturdays and Midnight from Sunday to Thursday is not on as music sound can travel over a wide area of the district at a time when people and children are going to bed.

Under the present 11.30pm and 12pm Rising Sun rules there have been some noisy music evenings.

After entertainment and drinks at 2am to 3am the customers require transport of varying means to get home. The arrival of vehicles loading and unloading with clients can be a disturbance, sometimes noisy, at this time of night.

dear sir or madam

I write regarding the application by the rising sun public house to extend opening hours ect.
The quote in the local paper said that residents near to the pub had been spoken to but i know of none in the immediate vicinity who was talked to.
My wife and i object because of the noise until the early hours, the shouting until an hour after closing, the banging of car doors, the horn blowing of taxi car, and not least the foul language used by the clients.
This pub was a very popular and busy place when run by the previous landlord and no trouble to locals.
Worth noting is next door the bulls head pub used the same disco type entertainment but is now a co-op because it could not make it pay.
The rooms in the rising sun are by comparison small and not adequate for this type of entertainment.
Further to our case is the fact there are no parking spaces at all and the pub is at the traffic lights, also those who come in cars will leave them outside our houses causing more problems on our road.
Finally we also believe these hours and entertainment types are really not suited to a residential area and therefore hope you give them serious consideration.

THE RISING SUN IS AN OLD PUBLIC HOUSE MADE UP OF SEVERAL SMALL ROOMS AND WAS NOT DESIGNED TO CONTAIN THE NOISE CREATED BY LIVE GROUPS WITHIN ITS WALLS.

IT IS SITUATED ON A VERY BUSY JUNCTION WITH NO CAR PARKING, VISITORS WILL THEREFORE HAVE TO PARK ON NEIGHBOURING SIDE STREETS, THE INCREASE IN PEDESTRIAN FOOTFALL AND TAXI TRAFFIC SHOULD NOT BE ALLOWED TO HAPPEN AT 2.30 IN THE MORNING, 3 NIGHTS A WEEK IN A RESIDENTIAL AREA.

A SIMILAR THING WAS TRAILED AT THE BULLS HEAD AND WAS UNSUCSEFUL THAT IS WHY IT IS NOW A CO-OP.

IT IS FELT THAT THIS APPLICATION WOULD BE DETRIMENTAL TO THE AREA.
