THE DECISION

Date of Decision: 12/03/2018

In pursuance of their powers under the above Act, the Council

PERMITS

The above development in accordance with the details given on the application form and submitted plans. Permission is given subject to the following CONDITIONS:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this planning permission.

REASON: Required to be imposed pursuant to Section 51 of the Planning and Compulsory Purchase Act 2004

2. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order), no development of the type specified in Classes E of Part 1 of that Schedule shall be carried out unless planning permission has been granted first.

REASON: Due to the restricted nature of the site, whilst the development as approved is acceptable, any further development normally permitted under the above provisions may in this case conflict with the interests of adjacent properties or the amenity of the area generally in accordance with Policy 8 of the Blackburn with Darwen Borough Local Plan Part 2.

3. This consent relates to the submitted details marked received on 09th January 2018 and submitted drawing no's. 1, 2, 3 and any subsequent amendments approved in writing by the Local Planning Authority.

REASON: To clarify the terms of this consent.

REASONS FOR GRANTING PLANNING PERMISSION:

1. Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that applications be determined in accordance with the development plan unless material considerations indicate otherwise. The proposal is of appropriate design and appearance and would not be detrimental to the residential amenity for occupiers of the dwelling or neighbouring dwellings or compromise highway safety in accordance with Policies 8, 10 and 11 of the Blackburn with Darwen Local Plan Part 2 (December 2015) and Residential Design Guide Supplementary Planning Document (as amended September 2012).

2. The Local Planning Authority operates a pre-planning application advice service. All applicants are encouraged to engage with the Local Planning Authority at pre-planning application stage. As part of the determination of this planning application the Local Planning Authority has worked pro-actively and positively with the applicant ensuring all the issues have been resolved. The Local Planning Authority has considered the application and where necessary considered either the imposition of planning conditions and/or sought reasonable amendments to the application in order to deliver a sustainable form of development in accordance the NPPF.

Your attention is drawn to the NOTES attached and to the following:

1. A process has been introduced by The Department for Communities and Local Government for dealing with material and non-material amendments to planning permissions. For more information please contact the case officer or consult the Planning Portal website www.planningportal.co.uk

2. This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other Enactment, Byelaw, Order or Regulation. Before commencing development you are advised to check the requirements of the Building Regulations. Section 31 of the County of Lancashire Act 1984 (access for the Fire Brigade) also applies. For information please contact the Building Surveyors, telephone

01254 505022. Additionally, if you wish to carry out building work which involves work along a party boundary the Party Wall Etc Act 1996 comes into force. You must find out whether your works falls within the Act by contacting your Solicitor, and if it does, you must notify all affected neighbours.

3. The Construction (Design & Management) Regulations 2015

The development hereby approved may be subject to the Construction (Design and Management) Regulations 2015 which govern health and safety through all stages of a construction project. The Regulations require clients (i.e. those, including developers, who commission construction projects) to appoint a planning supervisor and principal contractor who are competent and adequately resourced to carry out their health and safety responsibilities. Clients have further obligations. Your designer will tell you about these and your planning supervisor can assist you in fulfilling them. Further information is available from the Health and Safety Executive Infoline 0845 345 0055

4. STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848

Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

5. As part of this permission , you are required to ensure that no skips or building materials are placed on the adopted highway which will hinder or inhibit the refuse or recycling collection services. Any building materials that do not cause an obstruction to the collection services and permission is given for temporary storage on the adopted highway whilst work is ongoing must be removed when the work is completed and the area must be cleared and swept, so no remnants of any of the materials are left

PLEASE NOTE:

Town and Country Planning (Written Representations) Regulations 1987

In accordance with the provisions of these Regulations, in the event of an appeal, the Local Authority's copy of the completed appeal form should be sent to:
