

## TOWN AND COUNTRY PLANNING DECISION NOTICE

---

TOWN AND COUNTRY PLANNING ACT 1990

### THE APPLICATION

Applicant:  
Ms Kate Blyth  
202 Kilnhouse Lane  
St Annes  
Lancashire  
FY8 3DS

Agent:

### Full Planning Application

FOR:  
Erection of detached single storey annexe

AT:  
548 Preston Old Road  
BLACKBURN  
BB2 5NL

APPLICATION REFERENCE NUMBER: **10/17/1496**

The application was received: **12/12/2017**

---

### THE DECISION

Date of Decision: 27/03/2018

In pursuance of their powers under the above Act, the Council

### PERMITS

The above development in accordance with the details given on the application form and submitted plans. Permission is given subject to the following CONDITIONS:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this planning permission.

REASON: Required to be imposed pursuant to Section 51 of the Planning and Compulsory Purchase Act 2004

2. This consent relates to the submitted details marked received on 12th December 2017 and submitted drawings no's. P10, P11, P200, P101 rev b and revised drawing no's. P102 rev D and P103 rev A and any subsequent amendments approved in writing by the Local Planning Authority.

REASON: To clarify the terms of this consent.

3. Notwithstanding the submitted details, no development (excluding site preparation and ground work) shall occur until, samples of all external walling, roofing materials, window details, and their colour to be used in the construction of the building work have been submitted to and approved in writing by the Local Planning Authority. The development shall be implemented in accordance with the approved details.

REASON: To ensure that the external appearance of the development is satisfactory in accordance with Policy 11 of the Blackburn with Darwen Borough Local Plan Part 2 and the adopted Blackburn with Darwen Design Guide Supplementary Planning Document.

4. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and/or re-enacting that Order) the annexe hereby permitted shall be retained as such and shall not be used for any purpose other than as training centre associated with the existing use of the host property without the grant of further specific planning permission from the Local Planning Authority.

REASON: To retain control of the site in the interests of residential amenity and to safeguard the Grade II listed building in accordance with policies 8, 11 & 39 of the Blackburn with Darwen Borough Local Plan Part 2 and the NPPF.

5. The proposed hours of construction shall be restricted to the following: Monday to Friday: 8:00am to 6:00pm, Saturday: 9am to 1pm, and not at all on Sundays or Bank Holidays.

REASON: To safeguard the amenities of the nearby residential properties in accordance with Policy 8 of the Blackburn With Darwen Borough Local Plan Part 2.

#### **REASONS FOR GRANTING PLANNING PERMISSION:**

1. Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that applications be determined in accordance with the development plan unless material considerations indicate otherwise. The proposal is of appropriate design and appearance and would not be detrimental to the residential amenity for occupiers of the development or neighbouring dwellings or compromise highway safety in accordance with Policies 8, 10 and 11 of the Blackburn with Darwen Local Plan Part 2 (December 2015) and Residential Design Guide Supplementary Planning Document (as amended September 2012).

2. The Local Planning Authority operates a pre-planning application advice service. All applicants are encouraged to engage with the Local Planning Authority at pre-planning application stage. As part of the determination of this planning application the Local Planning Authority has worked pro-actively and positively with the applicant ensuring all the issues have been resolved. The Local Planning Authority has considered the application and where necessary considered either the imposition of planning conditions and/or sought reasonable amendments to the application in order to deliver a sustainable form of development in accordance the NPPF.

Your attention is drawn to the NOTES attached and to the following:

**1.** A process has been introduced by The Department for Communities and Local Government for dealing with material and non-material amendments to planning permissions. For more information please contact the case officer or consult the Planning Portal website [www.planningportal.co.uk](http://www.planningportal.co.uk)

**2.** This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other Enactment, Byelaw, Order or Regulation. Before commencing development you are advised to check the requirements of the Building Regulations. Section 31 of the County of Lancashire Act 1984 (access for the Fire Brigade) also applies. For information please contact the Building Surveyors, telephone 01254 505022. Additionally, if you wish to carry out building work which involves work along a party boundary the Party Wall Etc Act 1996 comes into force. You must find out whether your works falls within the Act by contacting your Solicitor, and if it does, you must notify all affected neighbours.

**3.** The Construction (Design & Management) Regulations 2015

The development hereby approved may be subject to the Construction (Design and Management) Regulations 2015 which govern health and safety through all stages of a construction project. The Regulations require clients (i.e. those, including developers, who commission construction projects) to appoint a planning supervisor and principal contractor who are competent and adequately resourced to carry out their health and safety responsibilities. Clients have further obligations. Your designer will tell you about these and your planning supervisor can assist you in fulfilling them. Further information is available from the Health and Safety Executive Infoline 0845 345 0055

**4.** The proposed development lies within an area that has been defined by the Coal Authority as containing potential hazards arising from former coal mining activity. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological features (fissures and break lines); mine gas and previous surface mining sites. Although such hazards are seldom readily visible, they can often be present and problems can occur in the future, particularly as a result of development taking place.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required (for example the need for gas protection measures within the foundations), be submitted alongside any subsequent application for Building Regulations approval (if relevant). Any form of development over or within the influencing distance of a mine entry can be dangerous and raises significant safety and engineering risks and exposes all parties to potential financial liabilities. As a general precautionary principle, the Coal Authority considers that the building over or within the influencing distance of a mine entry should wherever possible be avoided. In exceptional circumstance where this is unavoidable, expert advice must be sought to ensure that a suitable engineering design is developed and agreed with regulatory bodies which takes into account of all the relevant safety and environmental risk factors, including gas and mine-water. Your attention is drawn to the Coal Authority Policy in relation to new development and mine entries available at:

<https://www.gov.uk/government/publications/building-on-or-within-the-influencing-distance-of-mine-entries>

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires a Coal Authority Permit. Such activities could include site investigation boreholes, digging of foundations, piling

**5.** This consent is granted subject to conditions and it is the owner and the person responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond.

If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:

(a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.

(b) In addition if a condition precedent is breached, the development is unauthorised and the only way to rectify the development is the submission of a new application. If any other type of condition is breached then you will be liable to a breach of condition notice.

**6.** There are fees associated with the discharge of planning conditions. These fees apply to all requests for (1) the discharge of one or more conditions on the same permission, or (2) the written confirmation of compliance with a condition or conditions. Any number of conditions may be included on a single request. Fees are: £34 for householder developments, and £116 for all other developments. There is no fee relating to the discharge of conditions imposed on Listed Building applications. Please send your fee with your request, as requests that are received without the appropriate fee will be returned unanswered. To request a discharge of condition please use the forms on [www.planningportal.co.uk](http://www.planningportal.co.uk) or apply to the Council in writing. Please ensure that your letter or form clearly identifies the relevant permission and the condition(s) concerned. Local Planning Authorities have to deal with all requests within 8 weeks. Fees will be refunded if a response is not sent within 12 weeks from the date of receipt.

**7.** As part of this permission, you are required to ensure that no skips or building materials are placed on the adopted highway which will hinder or inhibit the refuse or recycling collection services. Any building materials that do not cause an obstruction to the collection services and permission is given for temporary storage on the adopted highway whilst work is ongoing must be removed when the work is completed and the area must be cleared and swept, so no remnants of any of the materials are left

PLEASE NOTE:

Town and Country Planning (Written Representations) Regulations 1987

In accordance with the provisions of these Regulations, in the event of an appeal, the Local Authority's copy of the completed appeal form should be sent to:

The Director of Growth & Development, Blackburn with Darwen Borough Council, Town Hall, Blackburn. BB1 7DY

Ian Richardson,  
Director of Growth & Development  
Blackburn with Darwen Borough Council.
