APPLICATION REFERENCE NUMBER: **10/18/0259**

The application was received: **17/03/2018**

THE DECISION

Date of Decision: 25/04/2018

In pursuance of their powers under the above Act, the Council

REFUSES

consent for the above development in accordance with the details given on the application form and submitted plans. Permission is refused for the following REASONS:

1. The proposed development, by virtue of its size, scale and siting, would result in an unacceptable level of amenity for the adjacent occupiers of No. 2 Dorchester Close

by virtue of an overbearing, over dominant impact and induce a feeling of overlooking contrary to the requirements of Policy 8 of the Blackburn with Darwen Borough Local Plan Part 2.

2. The proposed two storey extension is considered contrary to Policy 11 of the LPP2 and the Residential Design Guide by virtue of its scale and siting resulting in the introduction an incongruous, discordant and unsympathetic addition that fails to respond positively to the character of the existing building. It is further considered that the development would result in the introduction of an over dominant addition resulting in the visual detriment of the host property and the character and visual amenities of the area.
3. The proposed development would result in the property failing to provide in-curtilage parking in accordance with the Council's adopted parking standards, resulting in vehicles being displaced on to the public highway, to the detriment of the safe, efficient and convenient movement of all highway users and contrary to the requirements of Policy 10 of the Blackburn with Darwen Borough Local Plan Part 2.
4. The proposed front porch extension by virtue of its siting and design, would result in the introduction of an unsympathetic and incongruous form of development that fails to respond positively to the character and appearance of the application site, being of detriment to the visual amenities of the existing dwelling and immediate street scene contrary to Policy 11 of the LPP2 and RES E15 and RES E16 of the Residential Design Guide.
5. The level of development proposed would be of significant detriment to the character and appearance of the existing dwelling and surrounding area, insofar that the proposed development, when considered cumulatively, would undermine the inherent character of the existing building and be of detriment to the visual amenities and character of the area contrary to Policy 11 of the LPP2 and RES E5 of the Residential Design Guide

Your attention is drawn to the NOTES attached.

Appeals to the Secretary of State

- If the applicant is aggrieved by the decision of the Borough Council to refuse listed building consent for the proposed works, or to grant consent subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 20 of the Planning (Listed Buildings and Conservation Areas) Act 1990 within **six months** of the date of this notice.

- An appeal may also be made on the grounds that the building is claimed to be not of special architectural or historic interest and ought to be removed from the list.

Purchase Notices
