

Environment

Councillor Jim Smith

1. Working with residents to improve the appearance and cleanliness of streets and open spaces, particularly through the Your Call campaign

2. Increasing recycling and diverting waste from landfill whilst delivering a quality waste service

3. Managing and responding to flooding and other environmental risks

5. Improving community well-being by delivering effective licensing and enforcement activities, particularly in relation to alcohol and tobacco abuse and noise nuisance

4. Helping our residents to improve their health and well-being by providing high quality green and open spaces

Our promises

By 2015 we will have ensured that the Council has:

Worked with residents to help them clear up their local areas

Continued to respond and take action on incidents of fly-tipping

Supported residents groups to play more of a role in managing their local parks and bowling greens

Helped to improve the health and quality of life of residents by tackling issues of noise nuisance and illegal smoking
