

Neighbourhoods;
Housing and Customer Service
Councillor Yusuf Jan Virmani

1. Provide services that help the Council talk with and listen to its residents and communities and help them work together to solve problems

2. Help adults learn new skills and gain experience

3. Help support residents and communities through government changes to benefits

5. Improve the boroughs housing, so better homes are on offer, residents have more choice and new homes are being built. Also address issues related to privately rented

4. Make sure the new way of buying and planning health services and community safety meet the needs of the borough

Our promises

By 2015 we will have ensured that the Council has:

Supported residents to gain new skills and seek employment

Continued to prevent people from becoming homeless helped residents to be safer and have less problems with anti-social behaviour

Ensured the development of over 400 new homes
