

## Action notes from R&NOSC 15<sup>th</sup> July 2015

To do for Committee's work programme;

- Task group to be arranged for visit to Infirmary/Darwen Centre; looking at key areas of environmental concern and areas with high levels of ASB, look at cost to the Council and how becoming a designated area could help combat- new ASB regs etc.
- Committee to receive updates on the consultation proposals for the Infirmary area to become a designated licencing area in advance to allow for Member input.
- Committee to look at and review the licencing handbook; licencing regs, tenants' rights, tip permits, bin collection information etc
- Update September meeting info with Cllr Whalley's suggestions
- Workshops being held on 20<sup>th</sup> & 29<sup>th</sup>- Members may wish to be reminded
