ORIGINATING SECTION: PUBLIC PROTECTION SERVICE

REPORT TO: LICENSING ACT 2003 PANEL

Date: 01/08/2019

TITLE : APPLICATION FOR A VARIATION TO A CLUB PREMISES CERTIFICATE -  
Edgworth Cricket Club, Bolton Road Turton Bolton BL7 0DL

1.	<b><u>PURPOSE OF REPORT</u></b>
1.1	For members to consider an application for a variation to a club premises certificate in respect of <b>Edgworth Cricket Club, Bolton Road Turton Bolton BL7 0DL.</b>
2.	<b><u>BACKGROUND</u></b>
2.1	The Licensing Act 2003 provides that the functions of the licensing authority (including its determinations) are to be taken or carried out by the Licensing Committee. The Licensing Committee may delegate these functions to sub-committees. The Council's constitution has been amended to incorporate this.
2.2	The Statement of Licensing Policy indicates how the licensing authority approaches its various functions.
2.3	Where under the provisions of the 2003 Act, there are no relevant representations on an application for the grant of a premises licence or club premises certificate or police objection to an application for a personal licence or to an activity taking place under the authority of a temporary event notice, these matters will be dealt with by officers.
2.4	The Licensing Committee will receive regular reports on decisions made by officers so that they maintain an overview of the general situation.
2.5	Each application that comes before this committee will be treated on its own merits, and this licensing authority will take its decision based upon: <ul style="list-style-type: none"><li>● The merits of the application</li><li>● The promotion of the four licensing objectives</li><li>● The policy of the licensing authority, a copy of which can be obtained from the Public Protection Service, Whitedove offices, Davyfield Road Depot, Davyfield Road Blackburn BB1 2LX.</li><li>● The guidance issued by the Secretary of State on April 2018 under section 182 of the Licensing Act 2003</li></ul>

<p><b>3</b></p> <p>3.1</p> <p>3.2</p>	<p><b><u>DETAIL</u></b></p> <p>An application has been made by Edgworth Cricket and Recreational Club in respect of the <b>Edgworth Cricket Club, Bolton Road Turton Bolton BL7 0DL</b> for a variation to the club premises certificate under the Licensing Act 2003 (Appendix 1).</p> <p>The variation sought is or a change to the plan of the premises to include an extension to the club house. The application also includes an extension to the sale of alcohol until 2a.m. Friday and Saturday.</p>
<p><b>4</b></p> <p>4.1</p> <p>4.2</p> <p>4.3</p> <p>4.4</p> <p>4.5</p> <p>4.6</p>	<p><b><u>CONSULTATION</u></b></p> <p>All responsible authorities have been consulted, advertisements have been displayed in accordance with the Act,</p> <p>There have been five objections received (Appendix 2 ,3, 4, 5 and 6). The objections have been raised under the prevention of crime and disorder and public nuisance objectives.</p> <p>No objections have been received from any of the other relevant authorities.</p> <p>Further conditions have been agreed with responsible authorities (Appendix 7 and 8). It has been determined that all objections from the public and relevant comply with Section 35(6) Licensing Act 2003</p> <p>The applicant was given notice under Regulation 7(1)(d) Licensing Act 2003 (Hearings Regulations) 2005.</p> <p>The required documents in accordance with Column 3, Schedule 3 have accompanied the Notice of Hearing in accordance with Regulation 7 Licensing Act 2003 (Hearings Regulations) 2005.</p>
<p><b>5</b></p> <p>5.1</p>	<p><b><u>POLICY CONSIDERATIONS</u></b></p> <p><b><u>TRADING HOURS</u></b></p> <p>This Policy recognises that longer and more flexible licensing hours can contribute to easing crime and disorder problems by ensuring that concentrations of customers leaving premises simultaneously are avoided thus helping to reduce friction at taxi ranks and private hire offices, fast food outlets etc.</p> <p>The Policy will not set fixed trading hours within any designated area though the Policy recognises that stricter conditions with regard to noise control will be necessary in more densely populated residential areas. Additional security measures may need to be considered on premises which remain open to the public after 3:00am. Each application will be judged on its merits with the discharging of the licensing objectives being paramount in every case.</p> <p>As a general presumption, applications for licences to sell alcohol for consumption on the premises (including club premises) who wish to open between 10 am and midnight Sunday to Thursday and 10 am to 1 am Friday and Saturday will have their licence granted - subject to the other persons to object and thereby require a</p>

	<p>hearing.</p> <p>Any premises wishing to open for longer hours, or where amplified music is to be a feature of the entertainment which is provided, will need to demonstrate specifically within their operating schedule, how they will discharge the Licensing Objectives.</p> <p>Applicants should be aware that there is no automatic presumption In favour of longer hours and all cases which are referred to the Licensing Committee the Committee will consider if the hours requested by the applicant undermine the licensing objective. Where the Committee concludes that they do, the Committee may reject the application, or impose conditions and/or grant the licence with permitted hours which are different to those requested.</p> <p>In the interests of reducing crime, disorder and anti-social behaviour, the Council will prefer applications for public houses, nightclubs and registered clubs that demonstrate in their operating schedules a responsible approach to alcohol sales by ending such sales some time before the premises themselves are closed ('drinking-up time'). There is no obligation on the holder of a premises licence or club premises certificate to remain open for the entire period permitted by his licence or certificate.</p>
<p><b>6</b></p> <p>6.1</p> <p>6.2</p> <p>6.3</p> <p>6.4</p>	<p><b><u>THE THE LICENSING ACT 2003</u></b></p> <p>The Licensing Act 2003 requires you to have regard to the representations, and take such of the steps as you consider necessary for the promotion of the licensing objectives.</p> <p>The steps you take are (a) to modify the conditions of the licence and/or to reject the whole or part of the application to vary the licence.</p> <p>The conditions of the licence are modified if any of them are altered or omitted or any new condition is added.</p> <p>You cannot however restrict the hours of the sale of alcohol to less than those authorised under the current Justice's Licence by virtue of Paragraph 11 Schedule 8 Licensing Act 2003.</p>
<p><b>7</b></p> <p>7.1</p> <p>7.2</p> <p>7.3</p>	<p><b><u>LEGAL IMPLICATIONS ARISING FROM THE REPORT</u></b></p> <p>Members are reminded that they must follow the rules of natural justice and they are bound by the code of conduct for elected members in licensing applications.</p> <p>Members are reminded that they should have read or should hear all the facts prior to making a determination</p> <p>Members are reminded of the consideration they should give to the Human Rights Act 1998, in particular Article 1 – the right to peaceful enjoyment of possessions, Article 6 – the right to a fair hearing, Article 8 – respect for private and family life and Article 10 – the right to freedom of expression.</p>

Dear Donna,

In response to the mediation changes I have been asked to submit the following comments on [REDACTED]  
[REDACTED]

- 1) It is accepted that the proposed changes to the application conditions appear to address some of the main concerns previously submitted provided that the suggested controls are put in to place effectively.
- 2) However, the phrase "will not be regularly used " is open to interpretation e.g does it mean once a month, 3 or times a year- who knows.  
Therefore some clarification would be appreciated in case problems arise in the future about the frequency of late night events.
- 3) Further, instead of a blanket agreement why cannot late night extensions be applied for as and when needed which would help to provide some form of control.

Dear Sirs

We wish to place a strong **OBJECTION** on record for the change in licensing hours at the above Cricket and Recreation Club which it wishes to stay open until 2.00am on Saturday evenings.

We live opposite the Club and even now on occasions have telephoned to ask to have the music turned down. This has been at 1.00am in the morning. Therefore until 2.00am is unacceptable to the neighbours in the village and irresponsible of the committee to ask to extend these hours.

There is no date on the blue notice which has been placed very high up on one lamp-post only and as neighbours, we have had no notification at all of the intention to extend the hours. The first we heard of this application was this afternoon and when we went to look for the notice, the Ironman road closure sign had been placed over the blue application notice.

This application is in the name of Beth McGuinness.

Dear Donna

Many thanks for your email regarding the above compromise and although I am still unhappy with the extension there does seem little I can do.

Judging from past problems I do not trust the officials of the club to keep to their promises. In the past two Fridays I have had to phone them twice to ask them to turn the music down, the first Friday was at 10.20pm and last Friday it was so bad at 9.50pm I had to phone them again. On Saturday night there was a disco on and at 8.20pm the windows and doors were wide open with music blaring out and disco lights flashing. If they cannot monitor it just before their application was due to be decided on why will they do so now?

I have just received a diary from your noise department which I have to complete over the next six weeks and this is will do so. If they breach it once or I have to phone them to complain I propose to get the media involved in how a local cricket club is so interested in drink and music that they are making elderly and seriously ill local residents dread a Friday and Saturday evening. Just why do we have to put up with such selfishness in what was once a lovely village but is rapidly becoming like a night club area?

**Subject:** Application for an extension to existing licence -Edgworth Cricket Club CP11041

Good afternoon,

I wish to object to the application currently under consideration by the Edgworth Cricket Club on the following grounds:

1. Car parking facilities are very limited - the club shares a car park with The Barlow and the Bowling Club and when all three organisations are in use most of the extra cars have to park on

both sides of the main road. This causes chaos as there is then only room for a single line of traffic to pass through at any one time. On top of these cars, most of the houses also park on the

main road as they have no garages. Late night functions will seriously impact on local residents by the banging of doors and driving off. Often, following a function, cars are left overnight on

the road and carpark thus impacting on the traffic and parking of new vehicles on the next day.

2. It is stated in the application that the cricket is situated in such a position that the residents on Bolton Road will not be affected. This is wrong as the noise from the music can be heard as far

away as 400 metres depending on the wind direction. On one occasion the club held a charity evening and the noise was so loud that, after my telephone call to the cricket club to ask them

to turn the music down was met with complete indifference, I had to phone the Council's noise abatement department. Last week there was a function on at the club and, even with their

windows closed as well as mine own, I could still hear the thud, thud, thud, above my own television and could even hear it in my kitchen at the other side of my house. The club is developing

into a pub rather than a cricket club and the playing of music outside is being done every Friday night even when there are no activities taking place. A small band of young people appears to

be controlling the playing of the music with scant regard to the many residents near to the club. Surely there is no need for music to be played at such a pitch and This is a breach of my

Human Rights. Music should certainly not be played when there are no activities taking place. Last week it was pouring down with rain and yet this group collected on the verandah and the

noise was horrific from early evening until 10.10pm. The noise has recently become so bad that I am considering going away on a Friday and Saturday evening each week to get some peace

and quietness and if I do there will be legal repercussions.

3. Only recently, a function held at the adjacent Barlow Institute got out of hand and the noise continued outside until 1.30am during which a window was broken, a car was damaged and a

flower overturned. The police were in attendance. Why should residents living in the village have to put up with such behaviour from somewhere else? If the license is granted I can see

similar problems arising with the cricket club who are encouraging a drinking and music culture to ruin what was once a peaceful village.

I urge the Licensing Department to refuse this application and also advise the club that their license is in jeopardy should they keep on with the noise of the music.

Yours faithfully

Hi Donna,

Thank you for your reply to my email and for your efforts to reach a satisfactory compromise on the issue of the ECRC licensing agreement.

We do still have concerns however, viz.:

1. The phrase 'that the 01:00 am licence **will not regularly be utilised**' is relatively meaningless, e.g. is one Friday in five and ten Saturdays a year acceptable? The Club wants, understandably, to rent out its room for private functions as frequently as possible which is why it has made the application in the first place. We suspect therefore that the extension will be regularly utilised.
2. If the 'Prevention of Public Nuisance' clauses were to be strictly applied, we would have no problems, but,
  - a) is it reasonable to expect that on warm summer evenings, item 1) will be upheld? ('All doors and windows to be closed when live or recorded music is being played that will be potentially audible outside the premises. Except for access.) and
  - b) with regard to item 5), there has been no indication to date that 'the level of the music (from external speakers) shall be controlled so as not to cause nuisance at surrounding residential premises.'

Finally, can we suggest that, as the ECRC is part of The Barlow estate, it would make sense to license the sale of alcohol up to midnight. This, we understand, would match The Barlow license.

Regards,

Our attention has just been drawn to a notice high on a lampost on Bolton Road, Edgeworth. (This notice had been covered by a second relating to the Ironman UK event in July.)  
The notice was to inform residents of the ECRC's application for an extension of licensing hours. Of particular note is the request for hours on Friday and Saturday night to be extended until 2am the following morning. I am a life member of ECRC and fully support what it does for the community, to the point of accepting the current noise level where the Club's music can be heard through double glazing in the rooms at the back of my house until around 11pm. [REDACTED] consider it to be unreasonable for the ECRC to expect us to accept the intrusion until 2am, and must therefore reluctantly register our objection. Furthermore, we would like to express our surprise we were not informed of the proposal by letter.

**Subject:** Re Club Premises Certificate number CP11041

Hello, I am contacting you in relation to the application that is being made to vary the club premises certificate.

I have three particular concerns:

- This application is not known to the wider public of Edgworth, the application is taped to a lamppost outside the cricket club, quite high up and not easy to read. The application is mentioned in Barlow Institute trustees minutes, but I doubt that many read these. I suspect that if there was wider consultation in the vicinity of the cricket club, there would be much more opposition.
- My main concern relates to the comments in Section I, that the doors and windows of the club are shut at 10pm so no noise can be heard locally. That does not reflect the reality and there have been many, many occasions on which the sleep of those in the vicinity of the club (including the elderly residents of nearby [REDACTED]) has been disturbed by ongoing noise emanating from the cricket club at weekends. I know that on one occasion when a local resident sought to get the volume of the music turned down, late at night, he was accused of being against people having fun. That was not the case and the staff member at the cricket club was wilfully missing the point of the resident seeking consideration for the locals.
- Section J of the application seeks extension of the licence to permit drinking up to 2am at weekends. This is simply not acceptable in a residential area. The noise of the departure of revellers from the club after midnight is already bad enough, with taxi doors opening and closing etc, but to extend this by a further two hours seems particularly inappropriate. There are plenty of clubs licenced to sell alcohol to 2am in the Borough, though not many are located in primarily residential areas. For good reason.

I hope that you will take these comments into consideration.
