		<p>comparison to others.</p> <p>Graeme Collinge advised that others were further on, because they had started earlier, but that there was enough time to develop and submit the bid by January. Suzanne Jones suggested that the best idea would be to work back from January and work out the key timelines from there, confirming the support from MCHLG and Arup that was available, and that they would be happy to attend a future meeting.</p>	
5.	Draft Communications Strategy 2020	<p>Natalie Banks submitted a Draft Communications Strategy for Board approval. The Board had previously considered and agreed a media protocol and terms of reference which defined specific responsibilities, behaviours and expectations with regard to communications by Board Members.</p> <p>The proposed Strategy aimed to advance a more proactive communications approach in support of the Board and the Town Deal.</p> <p>Subject to comment and approval, the proposed Strategy would be regularly reviewed and adapted to reflect the progress made in developing the Town Investment Plan, which also included significant opportunities for stakeholder engagement, as well as the need to manage the communication challenges and constraints generated by COVID-19.</p> <p>The Board discussed the most appropriate communication methods, agreeing that a dedicated website or page, separate from the Council, was important, whilst noting that effective Social Media was resource intensive, and currently such support was not available, the focus would be on using existing resources, and also promotion of a dedicated URL when available, setting up a Communications sub group, and use of non-digital methods such as bus shelters and notice boards.</p>	

		<p>Natalie advised that a draft webpage would be available for the Board to consider at the next meeting.</p> <p>Recommendations</p> <p>The Board is asked to:</p> <ol style="list-style-type: none"> 1. Note the contents of this report; and 2. Approve the draft Communications Strategy 2020, as set out at Appendix 1. 	<p>Noted</p> <p>Approved</p>
6.	Update on Accelerated Town Deal Capital Projects	<p>The Chair submitted an update report on Accelerated Town Deal Capital Projects.</p> <p>The Board meeting on 10 July considered and approved three project proposals - Darwen Tower, J4 Skate Park and AFC Darwen - to benefit from the Government's early award of an additional £750,000 to accelerate their delivery.</p> <p>The report provided further detail on the three project proposals and gave detail of an additional request for feasibility funding support for an emerging project proposal - ANCA, Aldridge North Cricket Academy - which complemented the emerging development of a Darwen Sports Village opportunity of both scale and quality.</p> <p>There was potential to develop an elite cricket academy (including state-of-the-art indoor bowling and batting lanes with a Premier League standard square and outfield) for local boys and girls, hosted and operated by the Aldridge Education Multi-Academy Trust (MAT), supported by the coaching and development programmes of Lancashire County Cricket Club and the English Cricket Board, with links to Darwen Cricket Club. There was also the opportunity to make this facility the permanent home of Lancashire</p>	

County Cricket Club's women's team.

A similar facility (BACA) costing £2M has been recently established by the Aldridge Education MAT in Brighton with Sussex County Cricket Club and the English Cricket Board.

It was proposed the Town Deal provided up to £25,000 to match an in-kind contribution of the Aldridge Education MAT to undertake a feasibility analysis to assess the planning and delivery implications in bringing forward this proposal while setting an overarching vision for ANCA and the Skate Park at the Darwen Vale site.

Subject to Board approval, this feasibility analysis would accelerate consideration of ANCA as a priority project within the Town Investment Plan. The project sponsor would be the Aldridge Education Multi-Academy Trust.

John East suggested that the Sports Village vision could also include Bowling and Darts.

The Chair, acknowledging that the meeting would soon close, asked that full details of the four schemes be sent to all the Board.

The Board is asked to:
