Minutes of the last meeting held on 22nd October 2020, Key Actions and Matters Arising	<p>The Minutes of the last meeting were agreed as a correct record.</p> <p>Glenda Brindle queried the arrangements relating to the meeting of the Sub Group Leads to look at the project long list. 3.	Declarations of Interest	No Declarations of Interest were received.	Noted
4.	Darwen Deal Project Prioritisation Analysis	<p>Graeme Collinge presented details of the Project Prioritisation analysis that had been undertaken, using the Arup Tool.</p> <p>Graeme started by sharing details of Round 1 Town Deal Bid Awards in other areas of the country, and the meeting discussed the merits of applying for more than £25 million as evidence from elsewhere suggested that bids were higher than the actual funding awarded, so there was scope to bid for say £30 million and then potentially receive the full £25 million that was projected. Jake Berry MP and Miranda agreed to look into this further with their contacts and Graeme advised he would e-mail the relevant slide showing the Round 1 Awards.</p> <p>In terms of the long list of projects for Darwen, the Arup tool had been utilised and the long list of projects scored and ranked. The local scoring criteria had been reduced from 15 to 7:</p> <p>Evidence of need/Response to by Challenge</p> <p>Contribution to Vision</p> <p>Delivering Confidence</p>	

		<p>Contribution to Covid recovery</p> <p>Scale and status of match funding</p> <p>Scale of leveraged investment</p> <p>Economic Benefits</p> <p>The projects had been put into the spreadsheet, and scored against the local criteria and also Treasury criteria, and Graeme highlighted the projects marked as 'Green' following this process. It was noted that the projects not chosen would remain in the long list and would remain part of the TIP and could well be revisited.</p> <p>Graeme advised that a large piece of work that needed to be completed was completion of Section 1 of the Plan, with a 10,000 word description of the vision and projects, and also the Town Fund Project Template would need completing for each project. The TIP needed to be visual, which would help sell the projects and Graeme gave an example of a Plan from elsewhere in the country.</p> <p>It was agreed that the Sub Group Leads, Mike Cliffe, Clare Turner, the Chair, Graeme, John, Richard and Philip Eastham form a project team to agree workload and progress these tasks.</p> <p>Clare Turner advised that the Arup Team were ready to carry out a Check and Challenge when this appropriate.</p>	Approved
5	Items for Next Meeting	<p>RESOLVED – The main item of business would be for the Board to receive updates on progress of the key tasks and agree any recommendations</p> <p>Fazal also suggested an update would be helpful on the progress of the projects that received the initial £750k funding.</p>	<p>Approved</p> <p>Approved</p>
