# FORWARD PLAN

## Forward Plan - February 2022 to May 2022

### **The Local Authorities (Executive Arrangements), (Meetings and Access to Information) (England) Regulations 2012.**

**This is a formal notice under the above regulations that part of the Executive Board Meeting listed in this forward plan will be held in private because the agenda and reports for the meeting will contain exempt information under Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it. The matters likely to be considered in private are outlined in this forward plan.**

### **Forward plan**

The forward plan is a document that gives details of the items which require executive decisions in the near future by the Executive Board and are considered to be 'Key Decisions' relating to the Borough. Key Decisions are defined in the Council's Constitution (Part 5, section 4). The Executive Board will next meet on 10<sup>th</sup> February 2022. Brief details of the key matters to be discussed on that date are contained in this document.

The Council will as far as possible conduct business of the Executive Board in public. However, at certain times it will be necessary for items to be considered in private. Where this is the case the Board will resolve that the report needs to be considered in private (referred to as Part 2 matters) because an item contains confidential or exempt information. What constitutes exempt information is detailed in the Access to Information Procedure Rules in the constitution (Part 4, section 2) and summarised below.

When an item is to be considered in private the Council will state the reasons why public are to be excluded from the meeting. The reasons will be outlined on the forward plan and on the agenda.

Representations can be made by the public as to why any matters indicated to be considered in private should be considered in public. The representations must be made at least 5 clear days before the meeting to the Chief Executive at the Town Hall in writing and giving reasons for their views.

### **What is a key decision?**

A key decision is a decision which would:

- result in the Council incurring expenditure which is or the making savings which are significant in terms of the Councils budget for that service or function to which the decision relates or;
- Is significant in terms of its effects on communities living or working in an area comprising two or more wards in the Borough.

This Forward Plan contains Key Decisions to be taken by the Council's Executive Board during the period February 2022 to May 2022.

The Executive Board consists of the following Portfolios.

**Leader**  
**Adult Services and Prevention**  
**Children Young People and Education**  
**Environmental Services**  
**Public Health and Wellbeing**  
**Digital and Customer Services**  
**Growth and Development**  
**Finance and Governance**

**Councillor Mohammed Khan**  
**Councillor Mustafa Desai**  
**Councillor Julie Gunn**  
**Councillor Jim Smith**  
**Councillor Damian Talbot**  
**Councillor Qesir Mahmood**  
**Councillor Phil Riley**  
**Councillor Vicky McGurk**

A period of up to one hour will be allowed at each Executive Board meeting to enable members of the public to make statements or to ask questions of members of the Board. This must be delivered to the Chief Executive by 4.00pm on the day prior to the meeting. The next scheduled meetings of the Executive Board are:

**2022**

10th February, 10th March, 14th April, 9th June, 14th July, 11th August, 8th September, 13th October, 10th November, 8th December

<b>Household Support Fund – Council Tax</b>					
Date of Entry	<p>The initial discussions regarding the design of the Household Support Scheme looked at the costs and bills facing households. It is widely accepted that Council Tax continues to be a primary bill for all households, and, unlike many others, can incur significant court and enforcement costs if payments are not made, or delayed. The total additional costs facing a household for non-payment or late payment of a Council Tax bill can be as high as £386. This proposal looks to reduce the possibility of recovery action being taken against those families most in need, and also provide some much needed financial support.</p>	None

	<p>During the design of the scheme, councils have been encouraged by the government to review and use a broad range of data sources to identify the most vulnerable in the community. The Benefits Service has reviewed several data sets and produced a detailed breakdown of all Council Tax Support claimants. This data has been key to establishing which households will be targeted in this element of the scheme.</p> <p>Due to the high number of working age Council Tax Support cases and the limited funding available, it has been necessary to look at targeting the most affected by the high cost of living over the winter period. It is therefore proposed that the support is targeted at families with children.</p>
