

REPORT OF:	The Monitoring Officer
TO:	Standards Committee
DATE:	20 July 2020

SUBJECT: Complaints Update to the Standards Committee

1. PURPOSE OF THE REPORT

To update Members on complaints received regarding Members conduct under the Arrangements for dealing with complaints about the Code of Conduct for Members up to 30th June 2020.

2. RECOMMENDATIONS

The Committee is asked to note the update report on complaints during February 2020 and June 2020

3. BACKGROUND

The Committee has a role in considering any complaints received relating to the conduct of Members of the Borough Council, co-opted Members and Parish Councils in its area. Members will be aware that not all complaints are proceeded with for various reasons (unsubstantiated complaints, vexatious complaints etc.) however it is important that members are aware of receipt of these and legitimate complaints that are being processed and progressed.

Members of the Committee are to be kept up to date on receipt of all complaints and progress at meetings of the Standards Committee where appropriate subject to any relevant provisions relating to confidentiality.

In February 2020 through to June 2020 there have been 2 initial complaints received by the Monitoring Officer in respect of two different Councillors however when sent details of how to formally register the complaints to allow for investigation and consideration the complainants did not proceed with their complaints.

Up to 30th June 2020 there were no further complaints received under the Members Complaints Procedures.

The Monitoring Officer has prepared this report for consideration by the Standards Committee.

4. RATIONALE

The Localism Act requires Councils to put in place mechanisms for reporting and investigation of complaints. This report provides information for the Standards Committee in a clear and transparent way to ensure that all members of the committee are aware of complaints received, progress and outcomes.

5. LEGAL IMPLICATIONS

The Council has adopted the Code of Conduct and the arrangements for dealing with member complaints in the Council's Constitution (set out in the Appendix attached), which it must follow when a formal complaint is received.

The Monitoring Officer must ensure the Council acts lawfully and the Monitoring Officer must act in accordance with the Arrangements for dealing with complaints about the Code of Conduct for members and act impartially and objectively in consultation with Independent Person in handling complaints.

6. POLICY IMPLICATIONS

A governance framework in local authorities is necessary to promote and maintain high ethical standards, and to ensure public confidence.

7. FINANCIAL IMPLICATIONS

None contained in this report.

8. CONSULTATIONS

The Council's arrangements for promoting and maintaining high standards of conduct have been discussed by the Standards Committee and the arrangements for dealing with complaints about the Code of Conduct for Members are the subject of this report, to ensure openness and transparency to Members of the Committee on complaints received and progress.
