SCHEDULE

PART I

Modification of Definitive Map

Description of path or way to be added

The path leaves Swan Farm Close Lower Darwen at the metalled highway at point A Grid reference SD 68734 25219 travelling in a North westerly direction for approximately 9m to point B Grid reference 68727 25224. The path then turns in a westerly direction for approximately 6m to Point C Grid reference SD 68721 25223. The path then turns in a North westerly direction again for approximately 11m to point D Grid reference SD 68717 25234. The path then turns in a westerly direction for approximately 3m to point E at Grid reference SD 68714 25234. The path finally turns in a Northerly direction for approximately 13m to point F at Grid reference SD68712 25247.

PART II

Modification of Definitive Statement

Variation of particulars of path or way

FP 175 Blackburn leaves Swan Farm Close running in a North Westerly direction across a grassed path for approximately 9 metres in length and 1.5 metres in width. The path then turns in a Westerly direction for approximately 6m in length and 1.5 metres in width, again across a grassed surface.

The path then turns again in a North Westerly direction for approximately 11 metres in length and 1.5m in width, still over the grassed surface running close to the boundary of No.21 Swan Farm close.

The path then turns again in a Westerly direction for approximately 3m in length and 1.5 metres in width to the point where there is a kissing gate in place leading to the stone track on the western side of the plot.

At this point on the stone track the footpath becomes approximately 2.5 metres in width and the path finally turns in a Northerly direction for approximately 13 metres in length and approximately 2.5 - 3.5 metres in width varying along its length.

This then joins footpath 112 Blackburn, at this point the path is approximately 3.5 metres wide.

Total length is 42 metres.
