Any changes to the approved 2021/22 programme will be reported via the Council's Executive Member for Growth and Development later in 2021. Changes to the LTP programme as detailed within this report will be resourced from within the programme, and as such there will be no additional impact on Council finances. The equality impacts of each project are considered and assessed at the scheme design stage.

In relation to schemes funded from Section 106 and developer contributions, scheme design and delivery will only commence once monies have been received.

The Council is currently developing the next Local Transport Plan (LTP4) strategy covering the period from 2021-2041. Accompanying the strategy will be an implementation plan containing Blackburn with Darwen's provisional capital programme and transport projects from 2022/23 to 2026/27.

# 5. POLICY IMPLICATIONS

All schemes proposed directly accord with the Local Transport Plan 3 2011 – 2021 Strategy.

# 6. FINANCIAL IMPLICATIONS

Funding sources are identified within section 3 of this report. The programme will be closely monitored to ensure full spend and any further variations or amendments will be reported via the Executive Member for Growth and Development.

## 7. LEGAL IMPLICATIONS

The Council has a statutory duty under Sections 108 and 109 of the Transport Act 2000 ("the Act") (as amended by the Local Transport Act 2008) as local transport authority to ensure that the Council has up to date policies for the promotion and encouragement of safe, integrated, efficient and economic transport to, from and within their area. Each local transport authority must prepare a document to be known as the Local Transport Plan ("LTP") containing its policies for the purposes above and its proposals for the implementation of those policies.

All schemes within the programme will be designed and implemented in accordance with relevant highway, transport, traffic and equality legislation; and will need to be procured in accordance with the Council's constitution, procurement law and Government grant conditions.
