SUBJECT: TREASURY MANAGEMENT MID-YEAR STRATEGY REVIEW FOR 2021/22

1. EXECUTIVE SUMMARY

To update Members with regard to the Treasury Management position to date, and the proposed Strategy for the remainder of 2021/22.

2. RECOMMENDATIONS

It is recommended that the Executive Board:

- 1. notes the Treasury Management position for the year to date, and approves the proposed Strategy for the remainder of the year, detailed in Appendix 1, and
- 2. approves that there are no changes to the existing Treasury and Prudential Indicators for 2021/22, as set at Executive Board (11th March 2021).

3. BACKGROUND

Treasury Management is the management of the Council's cash flows, borrowing and investments, and the associated risks. The Council borrows and invests substantial sums of money and is therefore exposed to financial risks, including the loss of invested funds and the revenue effect of changing interest rates. The successful identification, monitoring and control of financial risk is therefore central to the Council's prudent financial management.

In March 2021 the Executive Board agreed a Treasury Management Strategy for 2021/22. It is necessary to review and consider updating the Strategy, if required.

This mid-year review was considered and noted by the Audit and Governance Committee at their meeting on 26th October 2021.
