EMD Coordinated Schools Admissions Scheme 2023/24

1. EXECUTIVE SUMMARY

To advise the Executive Member of the Local Authority's Coordinated Admissions Schemes for the 2023/24 academic year.

2. RECOMMENDATIONS

That the Executive Member for Children, Young People & Education formally approves the proposed Coordinated Admissions Schemes including:

- Coordinated Primary School Admission Arrangement 2023/2024 (Appendix 1)
- Coordinated Secondary Admissions Arrangements 2023/24 (Appendix 2)

3. BACKGROUND

Each year all local authorities must formulate and publish on their website by 1 January in the relevant determination year, a scheme to coordinate admission arrangements for the normal admissions round and late applications for all publicly funded schools within their area.

Where the scheme is substantially different from the scheme adopted for the previous academic year, the local authority must consult the other admission authorities in the area and any other local authorities it determines.

Where the scheme has not changed from the previous year there is no requirement to consult, subject to the requirement that the local authority must consult on the scheme at least once every seven years, even if there have been no changes during that period.

A local authority must inform the Secretary of State whether they have secured the adoption of a qualifying scheme by 28 February in the determination year. The Secretary of State may impose a scheme where a scheme has not been adopted.

All admission authorities must participate in coordination for the normal admissions round and late applications and provide the local authority with the information it needs to co-ordinate admissions by the dates agreed within the scheme.
