SUBJECT: TREASURY MANAGEMENT STRATEGY REPORT 2022/23

1. EXECUTIVE SUMMARY

1.1 Treasury risk management is conducted within the framework of the Chartered Institute of Public Finance and Accountancy's Treasury Management in the Public Services: Code of Practice 2017 Edition (the Treasury Management Code) which requires the Council to approve a Treasury Management Strategy before the start of each financial year. This report fulfils the Authority's legal obligation under the Local Government Act 2003 to have regard to the CIPFA Code.

2. RECOMMENDATIONS

It is recommended that the Executive Board:

2.1 Approves the proposed Treasury Management Strategy for 2022/23, detailed in Appendix 1, including the proposed Treasury Management Indicators.

3. BACKGROUND

3.1 Treasury management is the management of the Council's cash flows, borrowing and investments, and the associated risks. The Council borrows and invests substantial sums of money and is therefore exposed to financial risks including the loss of invested funds and the revenue effect of changing interest rates. The successful identification, monitoring and control of financial risk are therefore central to the Council's prudent financial management.

3.2 Investments held for service purposes or for commercial profit are considered in the Capital Strategy report, approved by Finance Council in February 2022.

4. RATIONALE

The Council is required to approve a Treasury Management Strategy before the start of each financial year. It must also set Treasury and Prudential Indicators and a policy for determining a “prudent” level of Minimum Revenue Provision for repayment of debt, which is consistent with the Council’s Medium Term Financial Plan (MTFP).

5. KEY ISSUES

Working within the regulatory and professional frameworks, the Council considers and agrees an annual Treasury Management Strategy before the start of each year. This is followed up with a mid-year Strategy Review, considered alongside the Annual Outturn Report, summarising the position for the previous financial year. The key requirements for the Council are to maintain its two investment priorities, the security of capital and the liquidity of investments.

6. POLICY IMPLICATIONS

The policy implications arising from the Treasury Management Strategy are contained within the overall Budget Strategy of the Council.

7. FINANCIAL IMPLICATIONS

The financial implications arising from the Treasury Management Strategy are also contained within the overall Budget Strategy of the Council.

8. LEGAL IMPLICATIONS

Under the Local Government Act 2003, the Council is required to have regard to CIPFA’s *Treasury Management in the Public Services: Code of Practice and Cross-Sectoral Guidance Notes*.

9. RESOURCE IMPLICATIONS
