SUBJECT: EB - School Holiday Pattern 2023/2024

1. EXECUTIVE SUMMARY

The Local Authority (LA) has responsibility for setting the school holiday pattern for Community and Controlled schools. It does this in consultation with neighbouring LAs, schools and teacher associations. For other maintained schools (Voluntary Aided and Foundation) the governing board determines the holiday pattern. Trustees of Free Schools and Academies (schools independent of the LA) have responsibility for setting their term and holiday dates.

2. RECOMMENDATIONS

That the Executive Board agrees the school term and holiday pattern for Community and Controlled schools for 2023/2024 (as set out in Appendix One Draft School term and Holiday Pattern 2023/2024)

3. BACKGROUND

The LA is required to set the school holiday pattern for its Community and Controlled schools. The dates are agreed 12 months in advance of schools beginning the new academic year. In March the dates were circulated for consultation with primary and secondary schools. In addition the dates were sent to Teacher and Green book Union representatives for their observations and comments.

4. KEY ISSUES & RISKS

Schools have a preference for the LA to set a pattern that is aligned with the dates that have been agreed by Lancashire County Council. In this way there is less disruption for families and employees.

Due to the composition of the maintained school sector in the Borough agreeing a uniform set of dates is not possible as all of the secondary schools and over a half of primary schools can set their own holiday patterns.

5. POLICY IMPLICATIONS

Schools, Governors and Teacher Associations were all asked for comments in relation to the proposed holiday pattern. In recent years the LA has received only a very limited number of comments with most respondents wanting the pattern to be aligned with Lancashire's holiday pattern,

to avoid problems with members of staff who have children attending schools in Lancashire. There have been no comments made during the consultation period (4th March – 8th April).

It is important to note that once agreed by the LA and published, the holiday pattern is binding on all community and voluntary controlled schools in Blackburn with Darwen. Voluntary Aided and Foundation governing boards are requested to give consideration to the advice from the LA when determining their school calendars

6. FINANCIAL IMPLICATIONS

There are no financial implications arising from this report

7. LEGAL IMPLICATIONS

The LA is responsible for setting the school holiday pattern for Community and Controlled schools. The Education (School Day and School Year) (England) Regulations 1999 stipulate that maintained schools must be open for 190 days during any school year to educate their pupils. Under the annual School Teachers' Pay and Conditions Document (STPCD), all teachers are required to be available to work for 190 (+5 inset) days in each academic year. The proposed holiday pattern for 2023/2024 satisfies this legal requirement.

8. RESOURCE IMPLICATIONS

There are no resource implications arising from this report

9. EQUALITY AND HEALTH IMPLICATIONS

Please select one of the options below. Where appropriate please include the hyperlink to the EIA.

Option 1 Equality Impact Assessment (EIA) not required – the EIA checklist has been completed.

10. CONSULTATIONS

Schools, governors and Teacher Associations were all asked for comments in relation to the proposed holiday pattern. The LA has received no responses as indicated above

11. STATEMENT OF COMPLIANCE

The recommendations are made further to advice from the Monitoring Officer and the Section 151 Officer has confirmed that they do not incur unlawful expenditure. They are also compliant with equality legislation and an equality analysis and impact assessment has been considered. The recommendations reflect the core principles of good governance set out in the Council's Code of Corporate Governance.

12. DECLARATION OF INTEREST

All Declarations of Interest of any Executive Member consulted and note of any dispensation granted by the Chief Executive will be recorded in the Summary of Decisions published on the day following the meeting.
