Dear Resident

I am writing to draw your attention to an opportunity to include your home to be part of an Alley gate scheme.

Background

Blackburn with Darwen Local Authority and its partners in the Pennine Community Safety Partnership, have been successful in obtaining funding from the Home Office Safer Streets Fund to reduce crime & anti-social behaviour and improve safety of residents around the area.

The funding will support alley gates to be placed in the back alley of your street.

In addition, upgraded **CCTV** will be installed in your area in order to provide a deterrent to anyone with criminal intentions.

The funding is also contributing to **improving green space areas and lighting.**

Next Steps

In order for your street to benefit from an alley gate scheme we require you to complete the form using the link or QR code below or alternatively complete the attached form and submit this at Audley & Queen's Park Neighbourhood Learning Centre, Pringle Street, Blackburn:

<https://forms.office.com/e/21y81g3VJf>

If you and your neighbours believe that an alley gate scheme will improve the security of your home then please discuss with your neighbours before completing the survey.

Support

If you would like the survey to be provided in an alternative language please contact us at Community.Safety@blackburn.gov.uk

All forms must be completed online or returned to us by **06/03/2023**
