ISSUE OF A NEW LICENCE

Legislation: Licensing Act 2003
Name of Applicant: MAGIRATHAN VETTIVEL
Premises Address: 146 Infirmary Street, Blackburn. BB2 3SF

The above application has been inspected and the Fire Authority has no objection to the Issue of a premises licence.

These premises are subject to the Regulatory Reform (Fire Safety) Order 2005 and a fire risk assessment should be carried out by the responsible person.

If a pavement licence is granted, the fire risk assessment may need to be amended and consideration should be given to the positioning of chairs, tables and other furniture so that fire safety precautions, including the means of escape are not obstructed and are available at all material times.

The Fire Authority may inspect the premises to ensure compliance with the Regulatory Reform (Fire Safety) Order 2005, and the Risk Assessment may be required by the Licensing Authority to satisfy the licensing objective relating to public safety.
