- 2.2 15 Dukes Brow, Blackburn 2023 Tree Preservation Order (TPO) (ref: BWD7) is confirmed without modification.

3.0 BACKGROUND & RATIONALE

- 3.1 On the 24th November 2023, the Council's Arboricultural Officer was contacted by the owner of No.15 Dukes Brow, who was initially concerned about the safety and common law nuisance relating the house with one particular Lime tree. Further to the site visit, the owner then confirmed they wished to fell two lime trees.
- 3.2. Following a site visit made by the Council's Arboricultural Officer on the 24th November 2023 (refer to Images 1-3), it was considered having inspected the wall, which is low and 'rough built', the wall appears to act as a small retaining wall. The wall appears to be exhibiting minor disruption to T2 Lime, and pruning works would suffice. With regards to the wall and the impact towards T1 lime tree, the wall has bellowed, but appears stable. The Arboricultural Officer considers if there is further disruption to the wall, the wall could be repaired or rebuilt relatively easily without the need to fell the tree.

- 3.4. The Arboricultural officer subsequently carried out a Tree Evaluation Method for Preservation Orders (TEMPO), which was undertaken on the 24th November 2023. The assessment gave the tree a very high score of 17 as illustrated in image 5, which fully warrants a TPO.
- 3.5 A copy of the TPO and Schedule is attached to this report. The emergency TPO was served on the landowner/freeholder on the 28th November 2023.
