

EQUALITY IMPACT ASSESSMENT CHECKLIST

This checklist is to be used when you are uncertain if your activity requires an EIA or not.

An Equality Impact Assessment (EIA) is a tool for identifying the potential impact of the organisation's policies, services and functions on its residents and staff. EIAs should be actively looking for negative or adverse impacts of policies, services and functions on any of the nine protected characteristics.

The checklist below contains a number of questions/prompts to assist officers and service managers to assess whether or not the activity proposed requires an EIA. Supporting literature and useful questions are supplied within the [EIA Guidance](#) to assist managers and team leaders to complete all EIAs.

Service area & dept.	Commission of Community Day Care Support Services	Date the activity will be implemented	07/02/2024
---------------------------------	---	--	------------

Brief description of activity	The provision of Community Day Care Support services is to be commissioned with the intention to award a contract for a term of 2 years. The current contracts will expire on the 31 st March 2024. To avoid any gaps in service whilst the procurement process takes place, the proposal is to extend the current contract for a period of six months (1 st April 2024 to 30 th September 2024) to ensure the completion of the procurement exercise and to commence the new service arrangement from the 1 st October 2024.
