**TITLE OF REPORT     Audit & Assurance Plan 2019/20 and Internal Audit Charter**

---

**1.     PURPOSE**

To inform Members of the planned Audit & Assurance work for the forthcoming year.

**2.     RECOMMENDATIONS**

The Committee is asked to:

- approve the 2019/20 Audit & Assurance Plan (as set out in Appendices 1 and 2);
- approve the Internal Audit Charter (as set out in Appendix 3)
- note that reports dealing with both progress against the Plan and outcomes achieved will be submitted to each meeting; and
- note that Plan changes will be reported during the year.

**3.     BACKGROUND**

Under the Accounts and Audit Regulations 2015 the Council “must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal audit standards (PSIAs)”. The PSIAs require the Head of Audit & Assurance to develop a risk based audit plan taking into account the requirement to produce an annual internal audit opinion. The plan must explain how internal audit’s resource requirements have been assessed.

The PSIAS also require an internal audit charter to be in place. The charter should set out the purpose, authority and responsibility of internal audit. They require the Head of Audit & Assurance to review the charter periodically. However the final approval resides with the Audit & Governance Committee. The charter was last approved in April 2017.

**4.     RATIONALE**

The Plan and Charter define the scope and the rationale of the approach being followed. They allow Audit & Assurance, independently, to provide assurance to managers, the Chief Executive, the Section 151 Officer and

other stakeholders about the effectiveness of controls and the management of risk. They also enable Audit and Assurance to assist this Committee with its responsibility to oversee the effectiveness of governance arrangements in the Council and in its partnerships through the reporting arrangements in place.

## 5. KEY ISSUES

### The Plan:

The Plan defines the scope and reasoning behind the approach being adopted. Overall, the objectives are:

- to fulfil Audit & Assurance's own statutory obligations;
- to provide assurance, support and advice to Directors on matters under their control;
- to support the Section 151 Officer's statutory obligations to maintain an adequate and effective audit of the Council's accounting records and its systems of internal control;
- to assist the Audit & Governance Committee in gaining independent assurance on the Council's risk management, governance and control arrangements;
- to report compliance with the PSIAS; and
- to contribute to the development of corporate standards as part of the Resources Directorate.

The Plan itself, as in previous years, is risk-based and the audit methodology is essentially risk-based auditing.

### Consultations:

The Plan, as a whole, is also a product of consultations with Directors and their Management Teams, and the Management Board, which were undertaken in February/March. Later in 2019/20 further consultations will be held to ensure that the Plan continues to meet the stated objectives. Any significant changes to reflect new developments, changes to priorities and/or resources will be reported to this Committee.

Ongoing consultations will take place with Directors and Heads of Service to ensure that specific Terms of Reference are prepared for each planned audit to reflect the detailed key risks within each area.

### Resources:

Audit & Assurance has had to make adjustments to its staffing establishment to meet the demands currently placed upon the Council. The audit resources currently available are considered sufficient to deliver an effective Audit Plan.

The planned resources for the audit function for this year are 677 work-days. In addition, there are 679 work-days for Risk Management (51 days), Counter Fraud (58 days), Insurance (528 days) and Financial Support/Other (42 days).

### Internal Audit Charter:

The Internal Audit Charter is a requirement of the PSIAS, which became mandatory from 1 April 2013. The Charter was last re-approved at the Audit & Governance Committee meeting on 11 April 2017 following the publication of updated PSIAS in March 2016. The Charter has been reviewed and updated

to reflect recent changes in the senior management structure and job titles. No other changes are deemed necessary for 2019/20.
