3. BACKGROUND

A report was submitted to the Executive Member in April 2019 with the following background information:-

As part of a safety scheme in the vicinity of Queen Elizabeth Grammar School, it is proposed to introduce extended school keep clear restrictions on West Park Road, East Park Road and Dukes Brow. In addition to the above, this proposal includes minor modifications to existing school keep clear restrictions around St Anne's School and revocations of redundant orders in the vicinity of St Peter's School Mill Hill.

Approval to advertise the proposal was given at the Executive Member Briefing and following advertising on the 20th June 2019, four objections were received. These were reported to September's meeting of the Planning and Highways Committee where Members supported Officers' recommendation to uphold the objections and remove the proposal for a school keep clear restriction on the residential side of Dukes Brow from the schedule.
