**SUBJECT:** Blackburn with Darwen Borough Council's proposed admission arrangements for 2021/22 academic year.

### **EXECUTIVE SUMMARY**

To advise the Executive member of the Local Authority's proposed admission arrangements for the 2021/22 academic year.

## 2. RECOMMENDATIONS

That the Executive Member for Children's Services & Education formally determines the proposed admission arrangements for 2021/22 as attached at Appendices A, B, C and D.

### 3. BACKGROUND

The Borough Council is the admissions authority for community and voluntary controlled schools in Blackburn with Darwen and has a statutory duty to act in accordance with the provisions of the School Admissions Code 2014.

As the admission authority for all community and voluntary controlled schools, the statutory responsibility for determining and publishing the admission arrangements for those schools rests with the Local Authority.

Under the current School Admissions Code, all admission authorities are required to "determine" (i.e. formally agree) their admission arrangements annually by 28<sup>th</sup> February even if those arrangements have not been changed from the previous year. In addition, the School Admissions Code also stipulates that admission authorities must consult on their admission arrangements at least once every seven years, even if there have been no changes during that period.

Blackburn with Darwen Borough Council has undertaken their seven year consultation in accordance with the requirements of the School Admissions Code for the 2021/22 admissions arrangements.

The proposed admissions arrangements provide clear and concise information and enables parents and pupils to make informed choices when making applications for school places.

The Local Authority would be in breach of its statutory duties if it failed to determine the admission arrangements for its community and voluntary controlled schools annually, or failed to carry out any necessary statutory consultations (including consulting at least once every 7 years).
